Hello Members-

Look outside, ignore the calendar and get some flying in while the weather is cooperating. Our club meeting is a week from today, at the Train Station. November is when we take the Official Officer vote. We have a change of Treasurers this year, so I am including a link to a new Member Renewal Form which has the new mailing address.

I will remind folks to always be good neighbors. That includes welcoming visitors as well as being courteous to each other and flying over the open fields and not over neighbor houses. We have been very fortunate to enjoy our flying field with the support of our neighbors and without incident for many years. Let us keep the trend going. I'll share a few photos from the past weeks at the field.

Don't forget to mark your calendars for the annual Christmas meeting which will happen on December 14 this year. We always have lots of food and not much business to tend to.

See you at the field,

A Meeting was called to order on . . .

September 12, 2016 at the Train Station at 7pm. The Treasurer reported \$1,709.52 in savings and \$3,335.11 in checking.

Per the bylaws, the club discussed current dues and plans for the coming year. It was decided that finances were in good shape and that dues could remain as-is for next year. A majority of Officers and Board Members approved at the

Those present were reminded that the club is incorporated and as such is officially managed by a Board of Directors. The Club Officers become members of the Board each year after Officers are elected.

Per the Bylaws, nominations for Officers for next year were opened. The following Officers were nominated and accepted the nominations:

- Safety Officer - George Fox
- Treasurer -- Jim Cockran
- V President -- Duane Lundahl
- President -- Jack Upchurch

There being no additional nominations, officer nominations were closed. Voting will take place at the November club meeting. Due to the change of Treasurers and as a formality, the club books will be audited prior to the incoming Treasurer taking over.

With the Picnic being rained out (see below), it was suggested that we have a picnic in the Spring. We will discuss having a Scale event at our Christmas Party Meeting.

John Chappis donated two short kits for the Raffle and/or Auction to be held at the to be scheduled picnic. Thanks John.

There being no further business, the meeting was called to a close at 7:42pm.
