Hello Members-

Our summer is in full swing, with members switching from complaining about wind to complaining about heat and humidity. Don't you just love Eastern Shore summers? Our June IMAC competition is in the record books and we are enjoying flying with friends at our great field. Our next events start on August 12 with the Jim Coll Stunt Control Line weekend followed on August 19 with the second IMAC competition. Members are encouraged to mark calendars and plan to come participate or volunteer to help out or join us as spectators in supporting these events that help our club and bring our out of town friends in to share their joy of flying with us.

Below are a few of the photos from the Jack Stovall Memorial IMAC event. Among the other benefits of our club hosting is the revenue generated which keep our dues in the ridiculously low range.

See you at the field,

Jack

A Meeting was called to order on . . .

June 14, 2017 at the Field at 7pm. The Treasurer reported \$3,490.42 in savings and \$720.76 in checking with 64 total paid members.

New Members were introduced - Steve, Todd and Henry. Welcome guys. Basic field courtesy was reviewed for the benefit of the new members as well as a reminder to the rest of us that we operate under AMA safety rules and we add some common sense courtesy whenever possible.

Final plans for IMAC were reviewed and it was agreed that things were under control. There are 21 pre-registered pilots which would make this one of the largest events IMAC has had at our field. Hoping for cooperative weather.

There being no further business, the meeting was called to a close at 7:15pm.
