6035 Shiloh Camp Rd, Hurlock, MD

IGNITER

Hello Members-

Dull overcast winter weather, followed by an almost Spring day, followed by howling wind is the pattern right now. Some members are finding time to fly when conditions permit, and others are working on their winter building and repair projects. If you are not mentioned above, do think about cleaning up your squadron, servicing fuel lines, cycle those batteries, make sure your planes are ready to go for when it gets right to come back out to fly - that day is closer than you think and you should be ready when it arrives.

The date is approaching (a week from today- next Saturday) when the [auction will be held at Ace's place](#) on Kent Island. Bring some cash and your trailer to claim your favorite airplane in memory of our dear friend.

The upcoming year should include some fun club activities which are being planned behind the scenes. Stay tuned for more details about the club picnic / scale event. A jet fly in has been requested and folks are working on making that happen if possible. Our treasurer has been updating the member list with 5 additional paid up members this week. If you have not yet done so, we have a meeting next Wednesday and will be happy to take your check and your

upcoming member renewals. Make sure to keep your AMA membership current.

AMA District IV has announced a contest to sponsor a youngster in our district to AMA Camp this summer. Let Jack know if you know of someone who would like to enter. We will have details at the club meeting Wednesday.

See you at the field,

Jack

A Meeting was called to order on . . .

January 11, 2017 at the Train Station at 7pm. The Treasurer reported 27 paid up members, \$2,639.76 in savings and \$1,757.81 in checking.

The Scale event/picnic committee reported on progress for details of the upcoming picnic and a date of May 13 with May 20 as the rain date. This will be a jointly sponsored event with SAC and ESAC joining forces. There will be fly-in style fun and a People's Choice voting for favorite aircraft. Free food will be available and members will be encouraged to bring food to share. It was suggested that the club consider awarding a "Gravity Sucks" award at the next Christmas party to the member who most deserves it. We will try to remember this throughout the year so that we can document those most deserving.

The possibility of having a jet event was discussed. Dennis Blades agreed to make contact with other jet guys and suggest April 22,29 or May 6 as possible dates.

Prize plaques for IMAC were discussed. IMAC events are scheduled for June17-18 and August 19-20 this year and it has been suggested that we go back to awarding plaques as prizes. Pricing and design options are being considered. Thanks Kenny.

There being no further business, the meeting was called to a close at 7:41pm.

- February 8 - Club meeting at the train station 7pm
- March 8 - Club meeting at the train station 7pm
- April 12 - Club meeting at the train station 7pm
