Dear Member,

With some IMAC pictures in this newsletter, we might be caught up sharing the club in action supporting member interests with friends from out of town.

Next Saturday is the date chosen for the Picnic. With luck, the weather will be spectacular and schedules will permit everyone to come out and enjoy the day. Members are encouraged to bring friends and family. Don't forget to bring a covered dish to share - the club will provide drinks and dogs and burgers, but it is always nice to share some special extras. Some have asked about bringing an item they wish to sell, and it seems like a good idea with the possibility of having lots of members in attendance. So, while we don't want the picnic to become a flea market, feel free to bring an item or two to sell if you have them, and bring a few bucks to purchase some junk from your friends. Also, we have had donations from retiring members like Warren Tarte, who donated working airplanes complete with radios. We will have those available for members to bid on.

See you on Saturday,

A Meeting was called to order on . . .

September 13, 2017 at the Field at 7pm. The Treasurer reported \$4,207.01 in savings and \$687.35 in checking.

Nominations for club officers will be accepted at the October meeting as called for in the Club Bylaws. Current Officers have indicated willingness to serve another year if asked. The official vote will be at the November Club meeting. Club Dues were discussed. With the treasury in solid surplus, and next years dues just around the corner, it seems reasonable to hold dues where they are. We have a balance that will support major mower repair if needed. The official vote on dues will happen at the October club meeting.

A member had voiced some security concern over the posting of birth days in newsletters. The group agreed that just listing member names without posting dates would serve club purposes.

The request to schedule a club picnic was discussed. It was agreed to have the picnic scheduled for Oct 7 with rain date of Oct 8. If weather is to be a factor, members are to check the calendar on the club website for cancellation details. The website notice would be in place by 8am on the event day. Having contests was discussed and the group decided to just have flying with no organized activities other than foamy jet flying- which could be combat or even limbo if the group felt like giving it a try. The club would provide drinks and burgers/dogs and we would extend an invitation to the Seaford Club members to join us.

The event schedule for 2018 came up and the Second Annual Jet Invitational will be planned for April 28.

There being no further business, the meeting was called to a close at 7:28pm.
