## **IGNITER**

Hello Members-

I feel the need to mention that today is a special day in our country. The date of September 11 is when we think back to "the day" that some terrorists tried to change our way of life. While some things did change for all of us in America and the rest of the world, most of us continue to go about our lives enjoying our freedom and liberty. Let us remember those who lost their lives that day and let us resolve to use the freedoms we continue to enjoy.

A reminder that our club meeting is this Wednesday at 7pm at the field. Next month, daylight will be gone early enough for us to start back meeting in the Train Station. We have a picnic being planned for October 2, which is a Sunday. I hope you will all make plans to bring some food, some friends, and something to fly and have fun with. We are planning on having a few just for fun flying games starting at 10:30 and then open flying all afternoon.

We have some club T-shirts available for those of you who haven't yet bought yours. Last month was crazy busy with club flying events, and I have a few photo highlights below to share from the Jim Coll Stunt Contest and the IMAC Battle at the Bay.

So once again, the club events were well attended and staffed with volunteers who made it all a success. A special thank you for volunteers at Jim Coll goes out to Jim Cockran for cooking, Matt Sebring for setup and cooking help, Kenny Weaver, Jim Stewart and Duane Lundahl for their help manning the concessions area, Jordan and Rachael Stagg for scoring help, Jack Rosemere for being CD, Skip Messick handled some heavy lifting and did the pull tests, Dennis Hastings was the pit boss and Tim Stagg was the Big Boss.

For IMAC, our list of volunteers due a big club thank you is: Kenny Weaver for organizing the event and serving as CD, Kenny's wife for handling the IMAC contest paperwork and scoring job both days, Jim Cockran for logistics and cooking both days, Matt Sebring for concessions area help both days, Skip Messick for field prep and also participating as a pilot contestant, Jim Stewart, George Fox and Duane Lundahl for concessions help. If you are a club member and not named as a volunteer above, there is still something you can do -- Say THANKS to those folks who make these events work for the club. Our dues would certainly have to go up were it not for the revenues produced when we host these outside pilots at our field.

See you at the field,

Jack

# A Meeting was called to order on . . .

August 10, 2016 at the field at 7pm. The Treasurer reported \$1,709.38 in savings and \$1,940.53 in checking. Good weather and attendance is hoped for at the upcoming events. Jim Coll will begin registration at 8:30 with flying to start at 9:30 each morning. Volunteer staff is confirmed. IMAC is on track with participants signing up online and good attendance is expected. We expect to have some BBQ chicken to add to the menu.

A club picnic was suggested and the group settled on Sunday, October 2 as the best date to have it. The following Sunday was chosen for a rain date should we need it. Duane Lundahl will coordinate some fun fly contests which should be fun. Anyone with an activity idea is encouraged to contact Duane, who will be happy to have some volunteer help. The group discussed paintball shoot and decided the work involved and the potential danger made this something to leave out this year. An auction of some donated airplanes and parts was also discussed as was having some sort of Scale focus. Stay tuned for developments.

There being no further business, the meeting was called to a close at 7:31pm.

- 
- August 13-14 -- Jim Coll  
Memorial Stunt Contest
  - August 20-21 -- IMAC  
Competition
  - September 14 -- 7pm --Club
