## **IGNITER**

Dear Member,

Time for our annual Christmas Club Meeting- which is more about sharing food than it is about having a meeting. As always, guests are welcome to join you. Bring something to share, we usually have about 20 people and the club provides sodas and plates. We don't go get pizza before this meeting because then the food we bring doesn't get the proper attention it deserves.

Our AMA VP has asked us for photos and details from the Jet Rally so that we can be included in the next AMA magazine. Be sure to read to the end of the magazine- District reports are in the back.

I managed to pull some photos together from the past year and will have DVD's for interested members at the meeting. Also, those folks who ordered baseball caps or T-shirts- those are in and Jack Rosemere will have them at the meeting. Bring some cash or your checkbook, since we took names but no money.

Club dues remain the same - \$125 unless \$100 is paid by Jan 31. A renewal membership form is [linked here](#). This new form has Jack's mailing address correct on it for your convenience if you need to mail it in. Please print one out, fill it out and get your money and renewal form to our new Treasurer.

## A Meeting was called to order on . . .

November 14, 2018 at the Field at 7pm with 16 members present. The Treasurer reported \$1,216.98 in checking and \$3,135.78 in savings. Year end rent is coming due, but so are club member renewals. We have lots to spend money on this coming year with the field move, but hoping we have some great events and can keep the cash under control.

Officer slate was put to a vote and received unanimous approval. Outgoing Treasurer was thanked for his contributions to the wellbeing of the club.

New field update was shared with the group. Wood has been cut and the center pavilion design checked with the inspector. We are good to go moving the structure when the time comes. Waiting on grass to grow and the driveway to stabilize and then we can get started with the new structures after the first of the year.

Tentative event schedule for 2019 was reviewed: April 27 Jet Rally; June ?? IMAC; Aug 10-11 Jim Coll and Aug ?? for IMAC.

There being no further business, the meeting was adjourned at 8:40pm.
