IGNITER

Dear Member,

Our Bylaws require a couple of things from the Officers each year- we must have an Annual company meeting, we must review expenses and establish club dues and we must conduct officer elections. The last newsletter contained information about our club expenses for member review and comment. The Officers have discussed budgeting for next year taking into account any comments received from members and we believe that the current dues structure is sufficient to provide for club expenses next year so long as we continue to host events as we have in the past which generate additional donations to the club.

Club Officer nominations were solicited in the last newsletter as well as letting members know that existing Officers are willing to continue for another year with approval from the members. We did not receive any new nominations, and so your slate of Officers for 2022 will be:

Jack Upchurch, President
Duane Lundahl, Vice President
Jack Rosemere, Treasurer
Jim Cockran, Safety Officer

Since we have no place to meet inside where there are lights and heat for a club meeting, we are asking members to just click this link [reply to this newsletter with their Vote for the slate of Officers.](#)

See you soon,

Jack

A photo of Jack Rosemere's recent experiment. This Pawnee was supposed to successfully fly through the trees and come out on the other side. Alas, the experiment proved once again that our airplanes need to fly around or over the trees.

A Meeting was called to order on . . .

We didn't have a meeting in October.

The Official 2021 Club Calendar- Check the website for more up to the minute schedule changes.

- July 14 - Meeting - 7pm at the field
- August 11 - Meeting - 7pm at the field
