IGNITER

Dear Member,

Spring is upon us according to the calendar, but the weather seems to have other ideas. Our event schedule can be found in these newsletters and also on the club website down the page a bit. We have a control line Spring Fling event the weekend of May 21-22 and we will discuss last minute details at the first club meeting of this year on Wednesday, May 18. We're going to try to be 'normal' and eat some pizza in Hurlock at 5:30 and then drive back to the field for a prompt 7pm meeting start. Although we will take as much time as needed

to discuss whatever is on members' minds, these meetings don't usually drag on for more than 30 minutes. Do consider showing up- John O has donated a new glow engine for a door prize to be given to one member present at the meeting each month this year. You don't have to play to win- but you do have to be at the meeting. With the slow Spring start this year, things feel like slow motion- but we are hoping to have the driveway repairs done prior to the first event, and with a little help from members and mother nature, we should have a good weekend event to kick off this year's season.

There's a new batch of non-stop news this year to replace whatever was being force fed to us last year- pain and suffering, bombs, prices, covid and politics. I'm thinking we all know what is happening on that grand scale, and also wanting to get our personal lives on solid ground. My short list to get that done is this: 1) remember the people who matter to you- family and friends; 2) plan your activities around who and what is important this week and don't ignore important stuff because you are too tired to think about it; 3) start small- thank someone when you see an act of kindness, do something nice for someone special to you and a stranger if the opportunity arises, do one thing you want to do just because you want to do it. I'm thinking these things will give you something to smile about by this time next week, and you can repeat the steps for more smiles down the road.

Cheers,

Jack

Here is a link to download the renewal member form which has the address for sending your check and the form with any new contact information we might need. If you prefer to use PayPal for paying dues, email [Jack Rosemere](#) and ask him to send you a PayPal Invoice.

Club Business . . .

The Treasurer has reported balances of \$1,422.87 in checking and \$2,049.45 in savings and all bills are paid. There are 23 members paid up including 3 life members. Our Treasurer is concerned that our events might not bring in enough participants to support our expense level with only 23 members.

Matt and Jim are coordinating efforts to service the entry road. If you happen to arrive at the field and see a fresh looking driveway, please take it easy- especially if it has rained on it recently. We will need to let it pack before we start rutting it up.

We've included the flyer link again for members who discover someone to share it with. [Link here to PDF](#) which prints on one sheet of paper.

That's it for now.

**EASTERN SHORE
AEROMODELERS CLUB**

Hosts the Second
Annual AMA Sanctioned

GIANT SCALE & WARBIRD FLY IN

**September 17-18
2022
9am – 'til late**
